

Make the Most out of Workday

Workday Education helps your teams flourish by providing training to stay current on new features and maximize the value of your investment throughout your journey.

We offer a variety of learning delivery options as well as customer accreditations and partner certifications.

Our goal is to help teams flourish by providing needed training that's helpful and within budget.

Learn Independent

Experience hands-on activities in a Workday training tenant and access comprehensive online learning curriculum that you complete at your own pace.

Learn In-Person

Reinforce your learning through instructor-led classroom training that combines lectures, social learning, product demonstrations, and hands-on activities.

Learn On-Demand

Prepare for your deployment with anytime access to topic-specific courses that you complete at your own pace.

Learn Virtual

Participate remotely in hands-on activities and interact with other Workday customers in these live, instructor-led virtual classroom sessions.
